

Name: Diane Haynes
Position: Coordinator Statistical Research
Office Location: Department of Mental Health Law & Policy
Phone: 813 974-2056
E-mail: dhaynes@fmhi.usf.edu

Education Background: MA in Public Administration, attending
MA in Community Psychology
Graduate Certificate in Women's Studies
Graduate Certificate in Non-Profit Management
BA in Psychology
AAS in Computer Programming

Areas of Expertise: Probability Population Estimation (PPE)
Probability Population Matching (PPM)
Cross System and Network Analysis
Online Satisfaction Surveys

Software Experience: SAS
Geographic Information Systems (ArcView GIS)
SQL
SPSS
Flashlight (Online Survey Software)
PeopleSoft GEMS
Oasis/Banner/SDCF
MS Software

Recent Project Experience: Pinellas Data Collaborative: A Florida County Data Collaborative with members from state, county, and local agencies that share over 10 data systems, including Medicaid, Medicare, Criminal Justice, U.S. Census, State of Florida Mental Health and Substance Abuse, Social Services, and Baker Act to examine social policies and issues.

Graduate Assistantship Satisfaction Survey: USF 2007
Administrative analysis on such topics as Graduate Assistants, GRADI & GRADII Credit Hours and Diversity at USF.

Paragraph about yourself: Primary research interests involve research using administrative data sets in mental health policy and employing different statistical methods to examine the patterns of individuals across multiple social agencies over time. Other interests include social issues impacting women and children, and substance abuse.
